Dear Commissioners:

I am writing in support of the Melrose Avenue Improvement Project that covers from Highland Avenue to Citrus Avenue. When this is complete, it will greatly improve the business environment for the area. The plan is to remove at least ten trees, and permanently repair around one block of sidewalk. I am proud to have Melrose Avenue in my Council District. The property owners on this stretch of Melrose Avenue are funding the project, and I am working with them during the process.

We look forward to supporting this project, and the businesses involved. I fully support this project and ask that you support it as well. If you would like to contact me, please email me at Paul.Koretz@lacity.org, or call my office at (213) 473-7005.

Sincerely,

Paul Koretz
